

November 2011 Newsletter

NOVEMBER TUITION IS DUE ON OR BEFORE THE FIRST OF THE MONTH: If you cannot take care of this responsibility by tomorrow, November 1st, at the latest, it is important that you either call the school office or please send a note so that we know your intentions. This will save our office the extra time that it takes to send reminders. You may leave a message on our answer phone any time of the day or night at 382-8610.

FUNDRAISER SUCCESS: Because of the efforts of our carnival committee and the many, many parents who dedicated hours of time, our carnival was a great success to the tune of about \$9,745 in profit. We also realized a profit of about \$11,000 from our magazine sale. Some of these profits have already gone to purchase numerous items for the school such as playground balls, teacher's aides, computers, printers, School District Ministry support, school van registration & insurance.

FOOD OFFERING FOR NOVEMBER 16TH: There will not be a money offering in chapel in the month of November. Each year for the past two decades, our children have brought non-perishable foods in cans or packages for our chapel offering on the Wednesday before Thanksgiving. You may also bring paper goods and diapers for this effort. All of these items will be donated to the Lutheran Social Services, an organization that provides food, diapers, and paper goods to hundreds of families.

NO SCHOOL ALL OF THANKSGIVING WEEK: Please note that there is **No School** from November 21-25 because of our Lutheran Educators Conference and Thanksgiving vacation. This is a good time to plan a family trip rather than taking off on school days. Safekey will be offered on Monday-Wednesday, November 21-23. **Safekey will be CLOSED on November 24 & 25.**

SCHOOL UNIFORM CODE: As the days get colder, please remember that only school jackets, sweatshirts, or sweaters are allowed. Uniform sweaters are available at Dennis Uniform store. Jackets and sweatshirts are available in the school office.

THANKSGIVING FEAST: Our annual Thanksgiving feast will be held on Wed., November 16th this year. More information will be sent home within the next couple of weeks. Immediate family members are invited to join their child for this special feast. Each classroom prepares or participates in at least one part of this effort.

Blessings in Him,

James E. Krafft
Principal
