PTL IS TONIGHT! Guitar, band, choir & handbells are performing! The concert begins at 6:30 PM! The students have been notified as to what time they should arrive. See you there!

We will be having our annual speaker, Mr. Steve Curtis, on Wednesday afternoon. He is the parent of 2 FGS alumni, Zachary & Justine. Mr. Curtis will talk about everything from atoms to radiation (his specialty), the Nobel Prize and careers in science. Mr. Curtis has his own company, AlphaTech, Inc. and he works at UNLV. Join us if you can on Wednesday at 1:15 PM. He is always a fascinating speaker.

The sixth grade will also have vocabulary words and a story, and the combined test will be on Thursday. Of course, our picnic is on Friday. I will see many of you there! We always have a wonderful time.

April 18, 2016

From Mr. Krafft:

We are thankful that the achievement tests are behind us now. The results of those tests will be sent home with the final report card after graduation on June 1st.

We took test #14 today in math, something for which we have been studying all last week. The test results will be sent home either today if it gets graded on time, but for sure tomorrow.

A review sheet for the next social studies test will be sent home on Wednesday for the test which will be on Thursday morning.

We did receive the new scholastic magazine on time this week for the current events test that will be given on Friday morning.

Blessings to your family and have a wonderful week.

Mrs. Dibos and Mr. Krafft
