Week of
Jan. 8-12, 2018

We are Learning..

Religion-We will study the coming of the wise men and Jesus' family fleeing to Egypt.

Math-The class will learn about estimation, estimating with divisors, and working with fraction review. 5th grade will also do a decimal review, changing decimals to fractions and problem solving strategies with decimals.

Social Studies- We will discuss the effect of the French and Indian War and its importance on history.

Reading-There is a vocab. test on Thursday and a comprehension test on Friday this week.

Science-We are continuing the study of fault lines and earthquakes.
