

MAY 2, 2016

DEAR PARENTS,

FROM MRS. DIBOS:

This Thursday is our field trip to the Smith Center to see *Robin Hood*. At this writing, I still need permission slips for several sixth graders. They must stay at FGS while the rest of the class goes to the Smith Center if the permission slip is not signed & returned. (If the permission slip has been misplaced, please write your permission to go to the Smith Center on Thursday for the play & sign it on any sheet of paper.)

We are reading a story today & tomorrow called "Secret of the Spring." It comes from the book, Tuck Everlasting. After we read the booklet, we will watch a movie adaptation of the entire book and discuss it. The normal vocab & comprehension tests based on the story will be given on Thursday & Friday. We will also have a science test on Friday.

Mid-term grades will come out on Thursday this week. Please sign & return the mid-terms for Friday.

FROM MR. KRAFFT:

The wonderfully positive item to exclaim is the fact that the 5/6th grade leadership in the recent musical truly led the way for an outstanding performance by everyone involved. I am truly proud of this class for so many things, this being only one of them.

Unfortunately, we could have had the track meet on Wednesday, Thursday, Friday, or Sunday of this past week; however, Saturday's extreme Las Vegas shower prevented us from experiencing this great day. The track and field areas are all booked for the rest of the

MAY 2, 2016

year at Faith Lutheran; therefore, there are youngsters in about 11 schools who are also very disappointed.

For those 6th graders who are well prepared for their next social studies report, it is due one week from today. The note cards for this report are due today but I will accept only one day late tomorrow.

The rest of the class will have to be prepared for their report two weeks from today on Monday, May 16th.

Thanks for your support!

MRS. DIBOS AND MR. KRAFFT
