Week of  
Nov. 13-17, 2017

## We are Learning..

Religion-We will begin discussing Solomon building the temple and Elijah and the Prophets of Baal.

Math-We are using metric measurements and developing factors in order to find the greatest common factor. Now we can begin reducing fractions. 5th grade will also multiply fractions with cross cancellation, and multiply fractions with whole numbers and mixed numbers.

Science- We will be concluding Unit B chapter 1 and start reviewing for the test next week.

Social Studies-We will be concluding ch.6 and preparing for a test next week on chapters 5 and 6.

Language-We are continuing our study of verbs this week.
