Week of
Nov. 6-9, 2017

We are Learning..

Religion-We are discussing David becoming king and Bathsheba.

Math-We are finding common factors,the greatest common factor, and measuring with metric measurements. 5th grade is also borrowing with common denominators,estimating money, and multiplying fractions.

Social Studies-The class is learning about the last colony of England which is Georgia as we wrap up chapter 6.

Science- We are studying tectonic plates and how they interact to form mountains and other geographic features.

Language- The language test from last week was returned today. We are writing our compare/contrast papers this week. It is due Tuesday, Nov. 14.
