

Preschool Registration

Registration & Material Fees

Per child, due at time of registration

(All fees are non-refundable)

\$255

COME VISIT OUR PRESCHOOL!

Call our office at 702-382-8610 to schedule a tour or just stop in if you are in the area

At the time of registration, additional forms will be given to each family in our "Parent Pack". Our Parent Pack includes forms we will need parents to fill out and sign before their child's first day. It also includes information to help your family be prepared for the child's first day.

A week before the school year starts, we will hold a Parent Orientation. This is a time for all the parents to come and meet their child's teacher, get important information about upcoming events from our Preschool Director "Miss" Pam, and give payment for registration and the first week of school (if not done so already).

Please visit the "Forms" page to access our registration form.

We look forward to meeting your family and pray that your preschool needs are met.
