

April 26, 2016

Dear Parents,

From Mr. Krafft:

It is essential that everyone is present every day this week since these are our rehearsal days for the spring musical on Thursday evening at 6:30 P.M. Please make sure that your child is present for the Thursday performance no later than 6:10 P.M. As you might remember, we always start on time.

Since we have our dress rehearsal on Thursday morning, no 6th grader will be excused for "Take Your Child To Work Day" until after 10 A.M., if you think it necessary at that time.

We will have math and social studies every day but there will be no homework assigned on Thursday. All will be completed in the class; consequently, there will be no homework on Thursday evening.

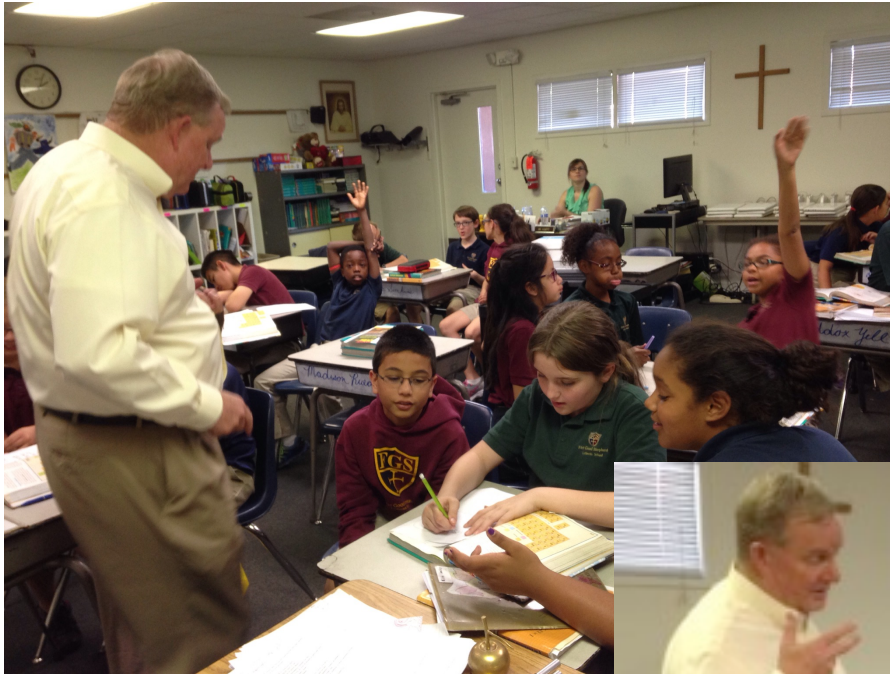

There is a wonderful dinner on Thursday evening before the program begins if you would like to participate. The cost is \$8 now or \$11 at the door.

from Mrs. Dibos:

We will be having a combination vocab. test & comprehension test on Thursday, as well as the final spelling test. The spelling workbook is also due Thursday, since there is no school Friday.

Mr. Curtis was a big hit with the class! He answered all their scientific questions & they loved his teaching style.

I am looking forward to the musical the sixth graders have prepared. See you Thursday evening. Don't forget to stop in on the book fair after the musical in the art room! It is always a big hit with the sixth graders!
Mr. Krafft & Mrs. Dibos

★ Happily ever after...★
