Dear Parents,

from Mrs. Dibos:

We will be having a language test tomorrow over Ch. 6.

We will have a vocab. test on Thursday this week, as well as a comprehension and spelling test on Friday.

As a reminder to my choirs, please remember to bring in your permission slips & money any day this week for your trip next week. God's Singers is going on Tuesday and Alleluia Ringers is going on Thursday.

From Mr. Krafft:

A wrist corsage for the girls and a boutonniere for the boys will be provided on graduation night, June 1st and we anticipate that everyone will be dressed in their best outfit for the celebration.

The sixth graders took their second last math test today. It will be sent home for you to see either today if time permits for me to grade it or tomorrow to the latest.

After today, there are only ten days remaining in the school year. Information from the room moms will come home soon concerning the swimming party on May 31st and the after graduation party at a nice restaurant.
