Week of
Feb. 27- March 3

We are Learning..

Religion-We will learn how various skills and materials can give praise to God, who is my neighbor, and what leaders should we follow.

Math-The 4th grade will use cross cancellation with the divisibility rules, find what is missing in story problems, and multiplying whole numbers with fractions. 5th grade will also be working with temperature such as converting Celsius to Fahrenheit, reviewing other metrics and fractions.

Science-The class will learn about kinds of magnets, what they can be used for, and what the poles of magnets do.

Language-We are having a test on Thursday over Ch. 4.

Reading- There is a vocab. and comprehension test Friday.

Current Events- We will have the test Thursday.
