Week of
May 14-18, 2018

We are Learning..

Religion-We will talk about Philip and the Ethiopian, and Saul becoming Paul.

Math-4th grade will learn about square measures, and review area, and perimeter with their formulas. 5th grade will divide by the powers of 10, and use decimal divisors.

Social Studies- We will be using and advancing our geographical map skills.

Dear Parents,
This will be our last newsletter of the school year. It has been a privilege to serve you and an honor to teach your children this year. God's blessings on your summer!

In Christ,
Mr. and Mrs. Dibos
